

State of Rhode Island
Department of Administration

INTER-OFFICE MEMORANDUM

Office of Accounts and Control

TO: Chief Financial Officers
State Departments and Agencies

DATE: May 7, 2002

FROM: Lawrence C. Franklin, Jr., State Controller

SUBJECT: RI-SAIL REPORT WEB SITE

My office and the Office of Library and Information Services have developed a reporting web-site that is currently available to all agencies and will replace the monthly CD you have been receiving over the past several months. The information available on the web-site is updated every night for all expenditures that include payroll and other distributions, i.e., Centrex, electricity etc. At the present time it does not include any requisitions, bid or purchase order transactions. In the future they will be included. Over the next several weeks we will be adding reports to the list already available. If you have any suggestions, modifications or concerns regarding this sight please use the available e-mail address on the report menu and we will take them into consideration.

The address for the web-site is: <http://statements.doa.state.ri.us>. Please note that we have also placed a link to the web page on the RI-SAIL link in the Accounts and Control web site. Also you will note that the RI-SAIL Map is now located on the report web-site for your convenience.

Again in using this site, if you have any questions or concerns please address them to the e-mail address on the report menu and we will review them ASAP.
